ANNUAL REPORT

FOR THE TOWN OF

BRISTOL

NEW HAMPSHIRE

FOR THE FISCAL YEAR ENDING
DECEMBER 31, 1998

Barry W. Wingate

This year's annual report is dedicated to our Chief of Police, Barry Wingate. Barry has served our community with unparalleled dedication, excellence in his field, and a "tried and true" sense of humor!

Barry was born and raised in Winchester, MA., and, after serving in the US Air Force for four years and earning a diploma in Computer Programming, he moved to New Hampton in 1969 and began working at International Packing Company in Bristol. He began his law enforcement career by graduating with Class 16 from the NH Police Training School on April 27, 1973. Later that year he earned the designation of Certified Police Officer from the NH Police Standards and Training Council. Barry's career track with the Bristol P.D. began as a Patrolman. In January of 1973 he was promoted to Sergeant, in April of 1978 he was appointed Acting Chief, and, finally in November of 1978 he was promoted to his current position, Chief of Police.

During his tour of duty with the Bristol Police, Barry has had many other accomplishments; an Associate in Science Degree in 1977, a Bachelor of Science Degree in Criminal Justice from St. Anslem's College in 1982, and in June of 1984, Barry graduated from the FBI National Academy. This was a very prestigious honor, as fewer than 1% of all law enforcement officials are afforded the opportunity to attend. Barry has been a member of the Grafton County Sheriff's Auxiliary since 1985 and was President of the NH Chiefs of Police Association in 1987. He has served as a member of the Newfound Area School Board, the Bristol Recreation Advisory Council, and as a Little League Baseball Coach. His hobbies include hunting, snowmobiling, and tennis.

Barry has two sons, one of whom is a member of the Bristol Police Department. Barry chose to make Bristol his home and has devoted his career to serving it's citizens.

Selectmen's Report - 1998

The Board of Selectman is pleased to submit it's annual report for the year ending December 31, 1999.

The Board would like to acknowledge the efforts of all the Town employees this year. We would also like to thank the many volunteers and appointed/elected officials who gave of themselves this past year. It is because of people like you that this town is in such good shape. We have many generous people when it comes to giving of their time to work on the various committees and boards and we are always looking for more. If you are interested please call or stop by the Selectmen's office.

This last year we saw the implementation of the new E-911 addresses. We are confident that everyone has their new address and there is no problem with it. We do, however, realize that it is possible that something may have slipped by. If you know of a problem please contact the Selectmen's office so it may be corrected as soon as possible. When you call 911 for an emergency, the operator has your address on file at their location. If you are not sure they have the correct information you may call them direct at 271-6911, and you can verify the information that they have regarding your address.

We are continuing to look at the possibility of moving the EMS administration to the Fire Station. During this next year we will be looking at the possible costs and benefits associated with such a move and how it will effect all of the safety services of our town.

As a result of a vote taken at last years Town Meeting, the Public Works Commissioners took over management of the Water and Sewer Departments in April. They have been doing an excellent job since that time. The waste water plant is in the best shape it has ever been and on behalf of the Town we want to thank the Commissioners; Burt Williams, John Bianchi, Bill Phinney, and all the Sewer/Water employees for all that they have done to make that possible.

All new vehicles authorized by vote of the Town have been purchased and are operating. The Highway Department purchased an International six-wheel dump truck with plow and sander. The Police Department purchased a Ford Crown Victoria, with police package. This vehicle was received in June but was not put into service until October, as was discussed at last year's Town Meeting.

As most of you already know we have another bridge being replaced in Town this year. The State Route 3A bridge is scheduled to reopen to traffic some time around the end of June this year. It will certainly be a welcome sight, as it seems that we have been dealing with construction on our roads forever. Hopefully, with this bridge replacement our roads will be in good shape for many years to come.

During the summer we erected "Welcome to Bristol" signs at each of the entrances to Town. These signs are attractive and are expected to last a long time. Each sign depicts a local landmark: Profile Falls on the south, Mt. Cardigan & Newfound Lake on the north, Sugar Hill on the east, and Round Top on the west. These signs serve as a welcome to our citizens and our tourists.

The Town of Bristol once again operated in a fiscally conservative manner, yet met the needs of both residents and visitors. We were able to maintain a stable tax rate for the third year in a row. In order to do that many departments, volunteers, and employees gave their time and effort over and above what was expected. Our thanks!

In addition to hiring Karen Sanborn as our Administrative Secretary this year, we saw the election of a new Selectmen and the resignation of Selectman Jeff Shackett, as well as the resignation of our Town Administrator, Dexter Bucklin. Both positions remain open. Jeff's experience and good counsel is sorely missed by the remaining selectmen. Our personal thanks to him for his efforts in the many roles he filled for the Town of Bristol. It is our expectation that when a new selectman is elected in March we will begin the process of filling the Town Administrator position.

The Board would like to specifically acknowledge several employees who reached 5 year anniversary dates during 1998. These include:

Mark Bucklin, Highway Superintendent - 5 years
William Crampton, Solid Waste Attendant - 5 years
Tracy Fellows, Firefighter - 10 years
Joseph Hannagan, Solid Waste Attendant - 10 years
Steve Jones, Highway - 10 years
Doreen Powden, Librarian - 20 years
Scott Satterfield, Special Patrolman - 5 years
Lee Von Duyke, Firefighter - 5 years
Bruce Wheeler, Beach Commission - 5 years

The Town of Bristol has had a very good year. We escaped the huge damages caused to property during the spring storms. Major projects were completed as planned, the tax rate remained stable, and boards and commissions worked together for the betterment of the Town and it's citizens. The Bristol Board of Selectmen wishes to thank everyone who contributed to this effort.

The Bristol Board of Selectmen,

Phil Dion, Chairman
Joseph Denning

Town Warrant

Bristol, NH

Grafton, SS

The polls will be open from 8:00 am to 7:00 pm.

To the inhabitants of the Town of Bristol in the County of Grafton, in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall, in said Bristol on Tuesday, the 9th of March next, at eight of the clock in the forenoon, to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Polls close at 7:00 pm

and further action on the following articles at the Town Hall on Summer Street in said Bristol at 7:00 pm on Wednesday, March 10, 1999.

Article 2. To see if the Town will vote to raise and appropriate the sum of \$80,000 to fund the first half of a town wide reevaluation project. Requests for proposals to be sent to qualified, independent, municipal appraisal companies. Project expected to begin this summer, anticipated completion next summer. (Recommended by the Selectmen and the Budget Committee)

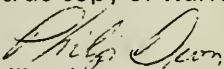

Article 3. To see if the Town will vote to appropriate the sum of \$147,200 to fund the Multi-Use Path which will run from the foot of Newfound Lake to approximately the Millstream Restaurant. 80% of the total cost (\$117,760) will be funded by a Transportation Enhancement Grant. The net amount, which will be raised through taxation is \$29440. This project is being administered by our Multi-Use Path Committee. (Recommended by the Selectmen and the Budget Committee)

Article 4. To see if the Town will vote to accept the budget as submitted by the Budget Committee and to raise and appropriate the sum of \$2,778,304 to defray town charges during the ensuing year. Appropriations voted in previous articles not included in this amount.

Article 5. To transact any other business which may legally come before this meeting.

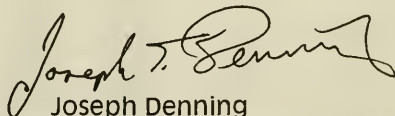

Given under our hands and seal this 22nd of February, in the year of our Lord nineteen hundred and ninety-nine.

A true copy of Warrant-Attest:

Philip Dion

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Bristol
Bristol, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Bristol as of and for the year ended December 31, 1997 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Controller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amount and disclosures in the financial statements. An audit also includes assessing the accounting principals used and significant estimates that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Bristol has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Bristol, as of December 31, 1997, and the results of its operations and the cash flows of its proprietary fund types and nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Independent Auditor's Report (continued)

In accordance with *Government Auditing Standards*, we have also issued our report dated March 6, 1998 on our consideration of the Town of Bristol's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Bristol taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for the purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Bristol. The accompanying Single Audit schedules are presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, *Audits of States, Local governments, and Non-Profit Organizations*, and are not a required part of the general purpose financial statements. All such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

SCHEDULE OF LONG TERM DEBT

Long-term debt payable at December 31, 1997 is comprised of the following individual issues:

<u>Description of Issue</u>	<u>Original Amount</u>	<u>Issue Date</u>	<u>Maturity Date</u>	<u>Interest Rate %</u>	<u>Outstanding at 12/31/97</u>
General Long-Term Debt Account Group					
Sewer Treatment					
Plant Bond	\$940,000	1989	2009	6.70-6.75	\$ 540,000
Water Supply Bond	\$172,240	1988	1998	6.95-7.05	15,000
Town Hall Bond	\$400,000	1988	1998	6.95-7.05	40,000
Water Tank Bonds	\$440,970	1988	2003	6.95-7.55	180,000
Bridge Bonds	\$300,000	1995	2005	5.25	240,000
Total General Long-Term Debt					\$ 1,015,000

Annual Requirements To Amortize Governmental Fund Debt

The annual requirements to amortize all general obligation debt outstanding as of December 31, 1997, including interest payments, are as follows:

<u>Fiscal Year Ending December 31, 1997</u>	<u>Governmental Fund Debt</u>		
	<u>Principal</u>	<u>Interest</u>	<u>Total</u>
1998	\$ 160,000	\$ 65,842	\$ 225,842
1999	\$ 105,000	\$ 55,261	\$ 160,261
2000	\$ 105,000	\$ 48,525	\$ 153,525
2001	\$ 105,000	\$ 41,760	\$ 146,760
2002	\$ 105,000	\$ 34,965	\$ 139,965
2003-2009	\$ 435,000	\$ 96,428	\$ 531,428
Totals	\$ 1,015,000	\$ 342,781	\$ 1,357,781

All debt is general obligation debt of the Town which is backed by its full faith and credit. However, the Enterprise Funds pay a portion of their respective debt as approved and budgeted on an annual basis.

Town Clerk/ Tax Collector

BRISTOL POLICE COMMISSION REPORT

The Bristol Police Commission, and the Chief of Police, submit the following report for the year 1998. We would like to begin this report by thanking all of the employees of the police department for their dedication to their duties and for the good job that they have all done this past year.

On April 19, 1998, Patrolman Joseph J. Vogel IV was hired as a new seventh full-time Bristol Police Officer. Ernest W. Parmenter, who is a part-time special police officer, was additionally hired as a part-time computer data entry person. On July 10, 1998, Patrolman Henry A. Yip graduated from the New Hampshire Police Academy. Patrolman Joseph J. Vogel IV graduated from the police academy on November 20, 1998. In April the Town received a three year federal manpower grant for \$61,388.00, which will help off-set the initial cost of hiring Patrolman Vogel. With the addition of Patrolman Vogel and Mr. Parmenter, the police department will be working toward becoming more visible to the community, and we also will be working toward doing better in-depth criminal investigations when dealing with both adults and juveniles.

The Bristol Police Commission now meets twice a month. During the first monthly meeting the Police Commission works with the Chief of Police on matters of police department interest, such as the recent management study. A majority of the recommendations that were made in the study have been addressed and several others will be addressed in future budget requests.

Sometime within the next few years, the police department will have to replace their current radio system with narrow band radios and possibly a digital radio system. We are currently watching to see how the new state digital radio system works out and also how the local communities that have gone to digital radio systems perform. This program will be closely tied into the Plymouth Radio Dispatch System.

This past year was the third year that the Bristol Police Department was able to present the seventeen week DARE Drug Abuse Resistance Education, (DARE) program to all sixth grade students at the Newfound Memorial Middle School. A Special thanks goes to Patrolman Douglas A. Voelbel, who has been the instructor for the DARE Program for the past three years. In November, the police department was notified that their request for another (fourth) 75% federal grant was approved for the 1999 Newfound Memorial Middle School DARE Program. This will be the last year that the Bristol Police Department will be eligible to receive these grant funds, so alternative means of funding to continue this program will be investigated.

Police Commission Report (continued)

Beginning in the fall of 1998, and going into the fall of 1999, the police department will be providing off-duty police officers for traffic control at the Auto Parts Store. The cost for hiring the officers and directing traffic during this project, will be paid for by the contractors. We anticipate that there will be some traffic flow problems in this area during the construction project.

The Bristol Police Department would like to thank the New Hampshire State Police and the Grafton County Sheriff's office for their assistance this past year in helping us during several major incidents. We would also like to thank the police department in the surrounding towns for their assistance to us, under our mutual aid agreements.

The Bristol Police Commission and all the Employees of the police department, wish to thank you for your support and cooperation this past year.

Respectfully submitted,

Michael W. Bannan - Commissioner
Carroll M. Brown - Commissioner
David J. Albert - Chairman
Barry W. Wingate - Chief of Police

POLICE DEPARTMENT REPORT

Below is a list of statistics of several areas handled by the Bristol Police Department in 1998.

POLICE DEPARTMENT STATISTICS

COMPLAINTS

Assaults -----	43
Burglaries -----	16
Thefts -----	81
Motor Vehicle Thefts -----	6

Total Gas Consumption -----	5,924

BRISTOL FIRE DEPARTMENT

The fire department responded to 141 calls in 1998 and are as follows:

ALARM ACTIVATIONS	20
AUTO ACCIDENTS	22
AUTOMATIC RESPONSE TO AREA TOWNS	11
CHIMNEY FIRES	8
DOWNED WIRES	7
FURNACE PROBLEMS	5
MISCELLANEOUS	27
MUTUAL AID	13
SMOKE INVESTIGATIONS	6
STOVE OR OVEN FIRES	5
VEHICLE FIRES	7
WOODS, BRUSH OR GRASS	10
TOTALS	141

Several firefighters have attended classes and courses at Meadowood and the New Hampshire Fire Academy at Concord as well as industrial, local and departmental monthly training.

The Fire Company, supervised by Josh Lee, continues to decorate and light up the Town for the Christmas Holiday season. Also the Fire Company will sponsor a carnival July 21 thru 24 which part of the money goes to purchase dress uniforms and special projects and/ or equipment for the fire department/ Town of Bristol.

The Fire Department is still understaffed and has a great need for more firefighters! If you are 18 years or older (men & women) and are interested in the fire service, call or stop by the fire station for more information. We also have a Fire Cadet program for boys & girls 14 to 18 years old.

We honor all of our firefighters for their time and dedication to the Fire Department and the Town of Bristol.

Have a fire safe year and thank you for your continued support.

Board of Fire Commissioners

Stephen Q. Curley
David A. Evans
Robert W. Patten

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ANY outside burning. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/ or a year in jail. Violators are also liable for all fire suppression costs.

There are ten Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. State Forest Rangers are available to assist communities with forest fire suppression, prevention and training programs as well as the enforcement of forest fire and timber harvest laws. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217.

There are 2400 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. Early in 1998 we experienced an ice storm, which caused severe damage to forests of New Hampshire. This damage created a greater potential fire hazard as well as safety hazards to many areas of the state. Your local fire warden and Forest Rangers need your assistance in preventing wildfires in these hard hit areas and throughout the State. If you need assistance or information dealing with ice damaged woodlands, please call 1-800-444-8978.

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contact aircraft patrols. This early detection and reports from citizens aid in the quick response from local fire departments. This is a critical factor in controlling the size of wildland fires and keeping the loss of property and suppression costs as low as possible.

Forest Fire Warden and State Forest Ranger Report (continued)

John W. Moyer
 Forest Fire Warden

EMS DEPARTMENT

1998 was a busy year even though New Hampton started their own EMS Squad. The total number of calls were 588.

The call breakdown is as follows:

Alexandria	69	Bristol	301
Bridgewater	38	Transfers	46
Danbury	105	Mutual Aid	29

Lt. Robert Laraway, a full-time employee, received his EMT-Paramedic license in December. Jen Lebel, a part-time EMT also received her paramedic license. This brings Bristol EMS up to a much higher level of care.

My thanks to my Captain Mike Goss, always with a smile and a helping hand.

A big thanks goes to my part-timers, who cover nights and half weekend shifts. Without their huge commitment this department would not have 24 hour coverage.

Respectfully Submitted,

Claire MacGlashing, Director, Bristol EMS

BRISTOL HIGHWAY DEPARTMENT

The Bristol Highway Department had a very busy year between projects done during the good weather months and snow removal during the winter months. Although 1998 saw a mild winter for the area there was still plenty of ice and snow to go around. It seems that the Department's goal for the good weather months is to repair, rebuild, and maintain the roads, sidewalks, parking lots, culverts, etc. While winter presents a challenge year in and year out, the winter of 1998 saw an ice storm that was unusually severe. With an extra effort made by the Highway Department's employees Bristol suffered as little disruption to the community as possible.

During the spring and summer the Department was reminded that mother nature was not sleeping. Torrents of water washed out many of our neighboring town's roads. Bristol did not suffer the road damage that Bridgewater, Hebron, and Groton did and ,in fact, came to the aid of some of those communities. As in all emergencies the Bristol Highway Department provides aid wherever and whenever possible. In this case Bristol received reimbursement for its efforts by the affected towns with federal emergency funding.

During the spring and summer the Department finished sealing Camelot Acre's roads as well as Grandview Drive, Peaked Hill Road from Route 104 to approximately Olde Stage Road. In all, approximately four miles of town roads were sealed. Additionally the plans improve the drainage on North Main Street between Union Street and Hillside Avenue were implemented and the project has been completed. Smith River Road was resurfaced as well. Crosswalks were repainted with a green safe-zone for pedestrians. This resulted in drivers becoming more aware of those crosswalks and being more likely to stop for pedestrians.

Bristol Highway Department (continued)

1999 will see the Bristol Highway Department planning to work on the following projects:

1. Sealing the rest of Peaked Hill Road, Hall Road, Brookwood Park Road, and Overlook Drive
2. Resurfacing the rest of Smith River Road, approximately 3,500'
3. Drainage improvements on Merrimack Street

On behalf of myself and all of the Department employees, my thanks for your cooperation and support in maintaining a good road system for the Town of Bristol and its citizens.

Mark Bucklin
Bristol Highway Supervisor

Snow Obstruction Ordinance

If any person shall put or place or cause to be put or placed any snow or ice upon the surface of the traveled portion of any town maintained road for any purpose, except to provide a place necessary for crossing, recrossing and traveling upon said road by logging or farm equipment, he shall be fined not more than twenty-five (\$25.00) dollars. The provisions of this ordinance shall not apply where snow or ice is pushed across the travel surface of said roads for the purpose of snow removal from land adjoining said highways.

PUBLIC WORKS DEPARTMENT

This is the first report from the PWD of the Town of Bristol. At the present time there is no consideration of merging the Bristol Water Works and the Bristol Sewer Commissions. The merger will require an in depth study of the financial status of the two Departments and how best to accomplish the merger.

Mr. Jeff Chartier has been appointed to the position of Superintendent of the Water and Sewer Departments. We welcome Jeff to this new position. Also we have added Arthur Borry to the staff of the Sewer Department as Sewer Plant Operator.

A brief review of the projects accomplished during the year 1998 are: The replacement of the Bridge at the Newfound River on 3A North has resulted in the replacement of the sewer main and water main in the bridge area.

All of the stored sludge within the sewer plant has been removed. The upper oxygen contact ditch in the sewer plant has been regROUTED at each segment of the ditch plates. This had not been reconditioned since new in 1970.

A dumpster container support pad has been installed to receive the sludge shipping container at the sewer plant. A pole barn type structure will be located over the pad when weather allows. This will enhance the capture and ultimate shipment of the sludge to the processing "plant".

The sand drying beds, used to dewater some of the sludge, have been reconditioned to enhance the drying process. These beds were in use since the plant was new in 1970.

Most of the sewer plant buildings have been exterior painted. We had an opportunity to utilize part-time help on this project.

All operator's licenses have been upgraded to meet State and Federal requirements for the particular certification levels need to properly operate both the Water and Sewer facilities.

We are actively working on the grease trap requirements for businesses on the sewer system. The State and Federal codes will be met by all on our system.

A State inspection of the Sewer plant has been recently completed and the results are very favorable, the Town receiving an excellent rating.

Public Works Department (continued)

The Water Works has been replacing existing meters with new units which will accept a touch readout recording unit. This accomplishes two goals, 1) much faster and more accurate meter reading, and 2) replacement of very old meters which needed to be replaced.

The system supply pump at the Fowler River has been modified to supply about 100 additional gallons per minute of water into the system. This results in a much shorter pump time to satisfy the demands of the system.

Our corrosion control facility at the Fowler River pumping station is operating properly and the lead and copper levels are within guidelines established by the State and Federal rules.

A second well and pump facility will be installed at the new site across from the existing pump house at the Fowler River site. The Water Works has a substantial grant from the State of New Hampshire to accomplish this project. At present there is no backup during a failure of the Fowler River pump facility.

We are working on a project to have all of the sewer plant sludge transported to a nearer site to render it useable for fertilizing projects. At present it is transported a considerable distance at a high cost to the Department. A contract is being reviewed at this time and appears satisfactory for the local rendering, resulting in substantial savings.

We are anticipating an addition to the operations facility within the sewer plant to support additional State requirements for testing, records keeping, and work space. Also there will be an addition to, and reconditioning of, the garage building at the sewer plant.

The Commission extends a very hearty thank you to the Highway Department for their assistance on many an occasion throughout this year.

Our two monthly meetings are open to the public and we encourage your attendance as well as an encouragement to the public to visit our Water and Sewer facilities, we only request a call to make a date and time.

Commissioners-

Burton W. Williams, Chmn; William R. Phinney and John R. Bianchi

MINOT-SLEEPER LIBRARY - TRUSTEES REPORT

The hours for the Library being open were changed this year. The Library is open Mondays, Wednesdays and Fridays from 1:00 P.M. to 8:00 P.M. and on Saturdays from 10:00 A.M. to 2:00 P.M.

The Library sponsored a Summer Reading Program with sixteen children participating. Four of those children read twenty or more books and had a book added to the Library's collection in their name.

The Library held weekly story hours for pre-school through second grade children during the summer months and for the Picket Fence Day Care Center throughout the year. Additional story hours were held every other week for children in the Bristol Nursery School from January through May.

A family pass to the Christa McAuliffe Planetarium was renewed for another year, plus passes to the Shaker Village Museum in Canterbury and the Museum of New Hampshire History in Concord were acquired using funds from the Memorials Fund. These passes are available to patrons of the Library. We urge you to contact the Librarian for information about using these passes.

An alarm system was installed on the downstairs exit door to prevent people from using the back door when the downstairs is not supervised by the assistant who may allow it's use.

Extensive and much needed repairs to the slate roof on the East Side of the Library were completed during the summer.

The Library Trustees voted to contribute the sum of \$400.00, matching funds being given by the Bristol Historical Society and the Selectmen, toward the erection of the state marker that is being commissioned to recognize and commemorate the naming of the new Pleasant Street bridge as the Musgrove Memorial Bridge. The funds are to come from the Martha R. Conner Fund. Eugene Musgrove served many years as Chairman of the Board of Trustees. He was responsible for providing the extensive collection of other New Hampshire town histories which the Library owns.

New rugs were purchased for the main floor of the Library. A new computer was purchased also, in preparation of our going Online, early in 1999, with Internet Programming.

Minot-Sleeper Library - Trustees Report (continued)

Trustee, Roger Pederson, has been assigned the role of Assistant Treasurer.

**MINOT SLEEPER LIBRARY
AVAILABLE ACCOUNT
December 31, 1998**

Starting with 1996 the unexpended balances of the Minot-Sleeper Library appropriations have been turned over to the Library Treasurer in accordance with and RSA. The Trustees voted to place these unexpended balances in a separate NHPDIP Account and the funds would only be withdrawn to meet unanticipated or emergency expenditures and only after obtaining the Selectmen's and Budget Committee's approval. 1998 the amount was \$3,086.65. It has been deposited into the Available Account.

During the summer of 1997 repairs on the west side of the Library roof were done at a cost of \$1,337.00, the funds all coming from the Available Account. Extensive repairs to the two valleys on the east side were done during 1998 at a cost of \$ 9,656.00. \$1,556.00 came from the Available Account and the remaining \$ 8,100.00 came, in equal shares, from Francis Minot and Ira A Chase Building Fund Accounts. Annually, we will report on expenditures made from the Available Account.

Town Of Bristol Planning Board Report 1998

The year 1998 saw consistent activity by the Bristol Planning Board. As the economy continues to do well more and more people come to the area either as visitors, or residents. This leads to the development of both commercial and residential properties. The Bristol Planning Board reviewed 3 site plans this year. In addition 3 subdivisions were reviewed and numerous informational hearings were held.

The town tax maps were completed and the 911 Project was brought to a successful conclusion. This was done with cooperation from the local Postmaster, Dan Ellingwood, Cartographic Associates, Inc., Town Accountant, Deb Shackett, Administrative Secretary, Karen Corliss, and the Board of Selectmen. The Bristol Boy Scouts under the leadership of Ben Perry completed the task of delivering house numbers that had not been picked up for one reason or another. The Bristol Planning board thanks each of these individuals and groups. Numbering has been completed for all houses in the Town of Bristol. One of the most significant results of the public hearing was to keep Central Square as an address, although with new numbers.

Long range planning and updating Bristol's Master Plan has once again surfaced. Currently, the Bristol Planning Board with assistance from the Lakes Region Planning Commission are developing a survey to determine the following:

1. Are townspeople interested in a long-range planning effort?
2. If they are interested what direction should this take?
3. What funding will be needed to initiate this activity?
4. Who will be willing to support it with time, effort, and energy?

During the year Bob Ryan resigned from the Board. The Bristol Planning Board would like to thank Mr. Ryan for his time and effort. The Board is in need of 2 members plus alternates. If you are interested either as a member, or alternate, please, contact Jan Laferriere at the Selectmen's Office. This is particularly important if we are, as a community, to consider entering into any serious long-range planning.

Respectfully Submitted

Joe Denning

ZONING BOARD OF ADJUSTMENT REPORT

As in the past this year was a very quiet year.

In the Lake District we had two hearings. Glenn Ford was granted a variance to Article III, Section 3.2 C.C of the town ordinance. Ralph Shackett was granted a variance to Article III, Section 3.2 C.

In the Village Commercial District we had one hearing. This was for VHS Realty Inc. for a variance from Article IV Section 4.5 B 11 and 14. This was also passed.

I Would like to thank all the members of the Zoning Board for their time and effort this year.

Linda C. Lee
Chairperson

KELLEY PARK COMMISSION

Kelley Park continued to see many changes and improvements during 1998. Beginning in early spring, the new Babe Ruth field saw final completion through reseeding and fertilization. The new dugouts along the diamond were finalized with fresh coats of paint. Although the field was not utilized throughout the 1998 baseball season, the commission is looking forward to the 1999 season which will offer a superb playing field with dugouts and two brand new aluminum bleachers with seating capacity of 100.

In early summer, many townspeople came together to erect two separate pieces of playground equipment near the concession building at the southern end of the park. Through the efforts of many, the children and families of Bristol have enjoyed this new equipment.

The committee is seeking to fill two positions on the board. If you are interested, please contact the Selectmen's Office.

Kelley Park Commission

Bristol Historical Society

The Bristol Historical Society met every second Tuesday night at 7:30 PM at the Old Town Hall. The meetings ran from March until October.

April is our Annual meeting where the Officers were elected for the ensuing year.

The Society sold coffee and doughnuts in March when the Town officials were elected and also in November for the State Officials. We also sold raffle tickets for an afghan made and donated by a member. The winning ticket was drawn December 20, 1998 .

We entered a float, as usual, in the 4th of July Parade.

We voted to pay our share along with the Minot-Sleeper Library and the Town of Bristol for a plaque dedicated to Eugene Musgrove which the State Bridge near the Post Office was named after. As yet our plaque has not been received. The ceremony was held in conjunction with Old Home Day.

Our hike to Profile Falls was canceled because the bridge was being repaired.

We had interesting speakers during the summer who were also members. Photographs were taken of different parts of town and made into slides which were shown on a screen. Detailed descriptions accompanied the slides. We also had a speaker from N.H. Humanities Council who also gave an interesting talk with slides. Our meetings were all well attended.

Our October meeting was held in Hill in their Hall. A combination of Hill, Bristol and Bridgewater that originally was called New Chester.

Thanks to everyone who made our summer a success.

Beverly McKenna,
President

BRISTOL CONSERVATION COMMISSION

Report for 1998

The Bristol Conservation Commission continues to fulfill its responsibilities under State Statute RSA 35-A. Some of our activities for this past year are as follows.

Work has taken place in or near the following:

1. The Pemigewasswet River, Ayers Island Dam
2. Smith River, Profile Falls Bridge
3. Newfound River, Route 104 and Route 3A Bridges
4. Newfound Lake, Dock permits, repairs/violations of Wetlands
5. Danforth Brook, Culvert repair on Route 104

Mitigation for taking wetlands related to the 104 and 3A Bridges which resulted in the State of N.H. purchasing a 1.14 acre easement from B. Morrison on the Newfound River which "shall be retained in perpetuity in its undeveloped natural condition".

In June, a wetlands violation was determined by the Wetlands Bureau in the Fowler River Wetland Complex. Action is still pending on this violation of unlawful filing of wetlands without a permit.

The Town Zoning Ordinances regulate certain activities in or near wetlands and water bodies as does the State of N.H. Comprehensive Shoreland Protection Act RSA 483-B and the N.H. Department of Environmental Services Wetland Bureau, and in some cases the U.S. Army Corps of Engineers (in Flood Plains, for example).

The Catteral Conservation Easement Work is in progress, by the owner, to restore the fields (cultivation and land lime, to date).

The Household Hazardous Waste Collection, the last Saturday of July each year, was the largest in our ten year history.

We would like to enlarge our group with Alternates; would you be interested?

BRISTOL COMMUNITY CENTER 1998 REPORT TO THE TOWN OF BRISTOL

There have been some exciting improvements at the Bristol Community Center during 1998. The windows on the front of the building were replaced with new, energy efficient windows. This has made a tremendous difference in heating the building. We are grateful to Freudenberg NOK for their donation, which enabled us to purchase the windows and have them installed. We removed the stained glass windows from upstairs and will be installing one of them at the entrance to the BCC so that we can retain a piece of the buildings history. The remaining two windows will be returned to the Bristol Federated Church.

The BCC has been a busy place with record numbers attending our Summer Program in 1998. We added an After Camp Open House Program to assist working parents. We continue to offer our Teen Open House Program on Tuesday evenings with a growing number of teens attending each week to play pool, basketball, ping pong, computers or movies. We offered some new Teen Programs this year that included a three day Bike Trip. The response was wonderful and we will continue to offer this program. During the course of a normal week at the BCC over 1,000 people come through our doors for the many programs offered.

Bristol residents participated in many programs offered during 1998. They included Archery, Baseball, Basketball, Dances, Teen Open House, After School Open House, Karate, Junior High Basketball, Baseball & Softball, Umpire Clinics, Red Cross First Aid & CPR, Hunter Safety, Boy Scouts, Girl Scouts, Tot Time, SHARE, Volleyball, Summer Programs, Haunted House, Ghost Walk, Easter Egg Hunt, Father & Daughter Valentines Dance, Carnival Queen, Jack Frost & Miss Snowflake, Soccer, Gymnastics, TOPS, Tai Chi, Craft Classes Senior Citizen Lunches and trips and Santa's Village, Yoga, Softball Pitching Clinics and more.

We are grateful to the Franklin Savings Bank for sponsoring a book Nook at the BCC for area children. They purchased and donated a bookrack, new books, couch and chair for a reading area. Rod Hull, of NH Americorps spearheaded the project and we are happy to have it here at the BCC.

Bristol Community Center (continued)

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. Our Soccer Program has more than doubled in the last few years. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

In ending the BCC wishes to thank the many, many Bristol volunteers that have donated their time energies by working in our sports leagues, helping with our Haunted House (we had triple the visitors this year!), Santa's Village and our numerous other fundraising and youth activities. Thank you all !!

Respectfully submitted,

Leslie Dion, Director of Recreation

NEWFOUND AREA NURSING ASSOCIATION N.A.N.A. 1998

I. Newfound Area Nursing Association provided the following services in the Home Care Program:

Skilled nursing	2207
Private duty nursing	20
Physical therapy	462
Home health aide	3006
Long-Term aide	855
Homemaker	1150
Supervisory visits	193

Approximately 11,750 visits were made by NANA in the 1998 year to individuals in the Newfound Area.

II. Program for families with infants, toddlers and adolescents are as follows:

The Well Child Clinic - Offered monthly to provide immunizations, physical exams, nutrition counseling, health education, information and referral. 95 children seen.

Newfound School Outreach Immunizations - Series of three Hepatitis Vaccines administered to 105 students.

Mother Mentors - A six week training course for six volunteers to provide assistance and support to moms for about three months.

Parental Support Group - Approximately ten individuals attend weekly. The group is geared toward those who are anxious or depressed.

Active Parents Group - Eight individuals participated in a seven week course on parenting. The series will be offered 3 - 4 times per year.

Prenatal/ Postnatal Exercise Program - Four participants enrolled in the first six weeks series. Plans are to continue the program.

Good Beginnings Program - Forty home visits were made to new parents to distribute gift bags with books. Offered in cooperation with Franklin Regional Hospital.

Newfound Area Nursing Association Report (continued)

Welcome Baby Open House - A collaborative effort with the Bristol Elementary School and other health and social service providers.

III. Outreach Programs for adults are as follows:

Flu and Pneumonia Vaccine Clinic - Flu Vaccines provided to 129 individuals. Pneumonia vaccine provided to 21.

Hypertension Screening - On average, 40 individuals are screened monthly.

Foot-care Clinic - Monthly clinic providing services to 10 individuals monthly.

Lab Services - Nursing staff draws blood on the homebound when ordered by a physician.

Senior Companion Program - Trained volunteers visit the isolated elderly. Offered in cooperation with Franklin Regional Hospital.

NANA Hospice Volunteers - NANA prepares volunteers and places them with seriously ill and dying clients to provide support for the individuals and their families.

The Medicare Interim Payment has impacted home care as we knew it would, resulting in an (\$11,000) deficit at the end of the third quarter despite our successful long-term fundraising effort.

On the positive side, however, Congress did at the eleventh hour pass a bill to give the Home Health industry relief from the Balance Budget Act of 1997. The per beneficiary cap formula was adjusted and they delayed implementation of a 15% cut for this year. Congress further promised to look at other measures to protect the home benefit during the next session.

Respectfully submitted,

Jeannine Martin
Executive Director

GRAFTON COUNTY SENIOR CITIZENS COUNCIL, INC. ANNUAL REPORT 1998

Grafton County Senior Citizens Council, Inc. provides programs and services which support the health and well being of our older citizens and assist them to remain independent in their own homes and communities for as long as possible. Through eight locations through the County, including Plymouth, Bristol, Cannan, Lebanon, Orford, Haverhill, Littleton and Lincoln, older adults and their families are able to make use of community based long term care services such as home delivered meals, senior dining room programs, transportation, care management services, information and referral, educational programs, adult day care, chore/ home repair services, recreation and opportunities to be of service to the community through volunteering.

During 1998, 164 older residents of Bristol were able to make use of one or more of GCSCC's services, offered through the Bristol Area Senior Services. These individuals enjoyed 1,545 balanced meals in the company of friends in a senior dining room, received 4,553 hot, nourishing meals delivered to their homes by caring volunteers, were transported to health care providers or other community resources on 621 occasions by our lift-equipped busses, were assisted with problems, crises or issues of long term care through 130 visits by a trained social worker and found opportunities to put their talents and skills to work for a better community through 944 hours of volunteer service. The cost to provide these services for Bristol residents in 1998 was \$38,158.19.

Community based services provided by GCSCC and its many volunteers for older residents of Bristol were often important to their efforts to remain in their own homes and out of institutional care despite chronic health problems and increasing physical frailty, saving tax dollars and contributing to the equality of life of our older friends and neighbors. As our population grows older, such support becomes ever more critical.

GCSCC very much appreciates the support of the Bristol community for services which enhance the independence and dignity of our older citizens and assists them to meet the challenges of aging in place.

Carol W. Dustin
Executive Director

**PEMI-BAKER YOUTH & FAMILY
SERVICES COUNCIL, INC.
1998 ANNUAL REPORT**

The Council is an organization dedicated to promoting community-wide approaches which support the development of healthy youths and their families. The Council currently coordinates five programs which are available to people in Eastern Grafton County:

1. **Juvenile Court Diversion** - a voluntary program for first-time juvenile offenders which holds them accountable for their actions. Volunteers from the community develop a contract with each youth and family. Contracts may include community service, referrals to other agencies and programs, personal development tasks, etc. We have found that, of the youths who graduated from Diversion in 1996 and 1997, 92% have not committed a subsequent offense since, saving tens of thousands of dollars in court-ordered services.
2. **OSS (Opportunities for Suspended Students)** - This program works with students and families from Plymouth Regional High School who are at-risk of losing course credit due to repeated suspensions. This community-based approach connects families to services in the region which help the students and families develop their strengths.
3. **The Challenge Course** - a 15-hour early intervention program for teens which focuses on alcohol, tobacco and other drugs. Courses are non-judgmental and confidential. Teens in the small groups are asked to assess their relationships with these substances and learn what they can do to reduce their use or stop using entirely. Of all the youths who successfully completed the program in 1996 and 1997, not one, 0% has re-offended.
4. **OCTAA (On Campus Talking About Alcohol & Other Drugs)** - offered in cooperation with local police departments and Plymouth State College, OCTAA provides an effective educational opportunity for anyone between the ages of 18-21. This is also a lifetime risk-reduction program on the use and abuse of drugs.
5. **Information and Referral** - provides area residents with a clearinghouse of information on regional human service agencies and programs. People with a variety of needs can receive free and confidential assistance on how to access these resources.

Pemi-Baker Youth & Family Services Council, Inc. (continued)

Callers ask how to report child abuse, how to access public assistance or counseling services, where to find after-school activities for children, etc. The Council distributed nearly 2000 comprehensive *Grafton County Resource Guides* in 1998 to help towns, police, schools and other human service providers find services for the people they work with.

Total service figures for the Council in calendar year 1998 are as follows:

Juvenile Court Diversion	36
OSS Program (no summer referrals)	16
Challenge Course	42
Information and Referral calls and visits	208
Grafton County Resource Guides	2000
OCTAA (no summer course)	96

Respectfully submitted,

Steven P. Bradley
Executive Director

REPORT TO THE TOWNS AND CITIES IN DISTRICT ONE

By Councilor Ray Burton

As one of your elected officials, I am honored to report to you as a member of the New Hampshire Executive Council. This five member elected body acts much like a board of directors of your New Hampshire State Government in the Executive Branch.

In my twentieth year representing this District with 98 towns and four cities there are many changes I've seen and been a part of in the past. My focus in this report to you is toward the future.

The following are some ideas and suggestions. The Governor and Council have a constitutional and lawful duty to fill dozens of boards and commissions with volunteer citizens. If you are interested in serving on one or more of these volunteer posts, please send me your resume at the State House and I'll see that it is passed on to Kathy Goode, Governor Shaheen's liaison to the Executive Council, or you may wish to send them directly to the Governor's Office, State House, 107 North Main Street, Concord, NH 03301.

Other resources available to your town/ city/ county include 10 million dollars (\$10,000,000) through the Community Development Block Grant program at the Office of State Planning. Call Jeff Taylor at 271- 2155 to see if your town or area qualifies.

Annually there is available some 10 million dollars (\$10,000,000) available through the New Hampshire Attorney General's Office for innovative programs for drug and law enforcement, stress programs dealing with youth at risk, assistance to victims, and special programs for victims of domestic violence. For information call Mark Thompson at 271-3658.

Communities may request assistance through the NH National Guard Army, General John Blair's Office, for services such as a Drug Detection Dog, Community Presentations on Drug Demand Education and Career Direction Workshops. Telephone number is 225-1200.

The Office of Emergency Management at telephone number 1-800-852-3792 is the proper call when an emergency develops in your area such as floods, high winds, oil spills and ice jams.

State and Federal Surplus items may be purchased at minimum cost. Call Art Haeussler at 271-2602 for a list and newsletter.

In New Hampshire Correctional Industries, there are many products and services of use to towns, cities and counties such as street signs, vehicle decals, printing, car repair, furniture and data entry services, including webb page development, call Peter McDonald at 271-1875.

Report to the Towns and Cities in District One (continued)

People and businesses looking for work - vocational rehabilitation, job training programs should call NH Employment Security at 1-800-852-3400.

NH Department of Environmental Services has available 20% grants for water/ waste water projects and landfill closure projects, revolving loans for water/ waste and landfill closure, and also money for Household Waste Collection days call 271-2905. State Revolving Loans has available around 35 to 50 million dollars (\$35,000,000 to \$50,000,000) per year. For information call 271-3505.

Oil Funds - There are five petroleum funds which cover: oil spill cleanup and emergency response; reimbursement for cleanup by owners of: motor fuel underground and above ground tanks; heating oil facilities (primary home owners); and, motor oil storage facilities (service stations and automobile dealers). For information call 271-3644. Further, there is a municipal grant fund for construction of used oil collection facilities and operator training. For information call 271-2942.

Household Hazardous Waste Collection Days - Annual grants to cities and towns for collection of household hazardous waste provide dollar for dollar matching funds up to a total of 50% of the costs incurred. For further information call 271-2047.

NH Health & Human Services Department has numerous divisions, providing a variety of services and assistance ... mental health, public health, children and youth, etc. All of these may be obtained by calling 1-800-852-3345.

All of your New Hampshire State Government can be accessed by the general phone number at 271-1110 and through the State Webster Internet <http://www.state.nh.us>. Your New Hampshire Government is at your service, please call my office anytime I can be of help. (271-3632 and e-mail: rburton@gov.state.nh.us)

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Counties, is one of nine regional planning agencies established by state statute. We continued to have a very busy year. Our work program remains diverse with activities such as local planning assistance, circuit rider planning, regional information systems & mapping, transportation planning, economic development, and natural resources planning. We are funded through multiple sources including local contributed by member municipalities. LRPC was called upon many times each day to provide local technical advice, and to respond to requests for service. We have also continued to maintain a regular dialogue with those state agencies that depend on us for linkage to communities in the Lakes Region. Our goal remains to provide support and leadership to the region, its governments, businesses, and citizens.

A few of our accomplishments over the past year are as follows:

- Co-hosted and organized three public Municipal Law Lectures, a public workshop on excavation taxes, and a workshop on the dollars and sense of conservation open-space zoning. Attended many local meetings for technical planning assistance.
- Initiated a comprehensive outreach effort to identify preferences for areas of local natural, historic, and cultural significance in our 31 communities. Responded to two requests under the Developments of Regional Impact statute.
- Prepared a report on trends in commercial, industrial, and residential development permits in the Lakes Region from 1992 to 1996.
- Approved transportation enhancement projects for consideration by the NH Dept. of Transportation. Completed the first of a two-year Scenic Byway Plan for the Lakes Region Tour. Staffed the Route 16 Corridor Study. Created a video on Access Management using computer simulation.
- Coordinated the 13th annual Household Hazardous Waste Collection (HHW), the largest single day, multi-site collection in New Hampshire. Renewed efforts to include a permanent HHW Collection Center.
- Guided area economic development policy as a board member of the Belknap County Economic Development Council and the Newfound Economic Development Corp.

Lakes Region Planning Commission (continued)

- Served as the Lakes Region's data clearinghouse for U. S. Census, demographic and statistical data. These data are available to community officials and the public. Updated sections of the regional land use map using geographic information system technology. Responded to requests from all member communities.
- Amended LRPC's Bylaws to ensure that commissioner membership and meetings would include geographic balance throughout the region.
- Represented the region before the International Forum of Coastal Communities on Tourism and the Environment.
- Provided Support to the U.S. Americorps staff working with local landowners for water quality and land management. Staffed the Pemigewasset River Local Advisory Committee. Conducted reviews of flood plain ordinances.

We look forward to serving Bristol in the future. Feel free to contact the LRPC at 279-8171 for additional information or wherever we can be of assistance.

Bristol Families and Children Served by Whole Village Parent-Child Program

October 1, 1996-November 1, 1998

On October 1, 1996 Whole Village Parent-Child Program opened its doors to provide programs to families with young children in the 17 towns of the Plymouth District court Area, New Hampton, and Sandwich. The program was established in response to needs identified by the Plymouth Ad Hoc Committee on Youth At-Risk to support families with young children.

The Whole Village Parent-Child Program works in partnership with families to provide support to parents so that they can meet the challenges of raising safe, healthy children who will thrive. We are a program of Whole Village Family Resource Center, a nonprofit collaborative of 13 health, education, and social service agencies.

Whole Village Parent-Child Program between October 1996 and November 1998 22 of the families reside in Bristol.

Total # of Bristol Families Served (# of parents under 21 years old)---	22(4)
# Children 5 years old and under-----	22
# Children over 5 years old -----	5

Parent-Child Program activities include:

- Weekly Play & Learn Group
- On-Site respite child care for children while their parents visit Whole Village
- Welcome Baby ! newborn home visits
- Monthly Family Fun Events
- Parent Support Groups
- Special topic parenting series
- Information & Referral
- Intensive Support Program for Teen Parents:
 - GED preparation course for parents (child care and transportation provided)
 - Family support visits for young parents
 - Transportation to medical appointments
 - Great Beginnings (nutrition program) through UNH Cooperativ Extension
 - Expanded Food and Nutrition Education (EFNEP) Program

TOWN OF BRISTOL TOWN MEETING 1998

Bristol, NH

Grafton, SS

Supervisors: Danica Spain, Nancy Cavalis, Raymah Wells

Ballot Clerks: Marcia Payne, Jacqueline Crouse, Nancy Dow, Phyllis Schofield

Police: Chief Barry Wingate

Moderator: Edward Gordon

Town Clerk: Patricia Woolsey

March 10, 1998

Ballot box checked and found to be empty.

Polls declared open at 8:00a.m. and closed at 7:00p.m.

Article 1. To choose all necessary Town Officers for the year ensuing. The results were as follows: Selectman for 3 years: Jeffrey Shackett 341; Selectman for 1 year: Joseph Denning 231, Robert Ryan 226 (a recount was performed on this race with the following results: Joseph Denning 230, Robert Ryan 225); Treasurer for 1 year: Kathleen Haskell 437; Fire Commissioner for 3 years Robert Patten 439; Budget Committee for 3 years: Andre Bourbeau 347, Lori DeVost 367, Benjamin Perry Jr 348, Donald Kimball 6; Budget Committee for 2 years: Paul Simard 367; Budget Committee for 1 year: David Conlon; Supervisor of Checklist for 6 years: Raymah Wells 419; Police Commissioner for 3 years: David J Albert 226, Virginia Sokoloski 217 (a recount was performed on this race with the following results: David Albert 225 and Virginia Sokoloski 217); Library Trustee for 3 years: Barbara Greenwood 418, Ruth Herron 354, Penny Persico 11; Trustee of Trust Funds for 3 years: Robert Ryan 395; Moderator for 2 years: Edward "Ned" Gordon 451.

Article 2. Are you in favor of changing the term of the town treasurer from one year to 3 years, beginning with the term of the town treasurer to be elected at next year's regular town meeting?

YES 254

NO 87

Article 3. Are you in favor of the adoption of the following amendment to the existing town zoning ordinance as proposed by the Planning Board at the January 14, 1998 Public Hearing?

YES 313

NO 123

Article 4. Are you in favor of the adoption of the following amendment to the existing town zoning ordinance as proposed by the Planning Board at the January 14, 1998 Public Hearing?

Page 17: Article IV, 4.11, E.4 Change from:

4. Real Estate, Auction signs, premises for sale or rent, shall be permitted. Such signs shall not exceed nine (9) square feet in area and shall be removed immediately upon completion of the auction, sale or rental of the property, or other reason for the installation of the sign.

To: 4. Real Estate, Auction signs, premises for sale or rent, shall be permitted. Such signs shall not exceed nine (9) square feet in area and shall be removed immediately upon completion of the auction, sale or rental of the property, or other reason for the installation of the sign. Said sign to be located only on the property that is for sale or rent.

Article 5. Are you in favor of the adoption of the amendment to the existing floodplain ordinance to reflect the new date of the Flood Insurance Rate Maps and Floodway Maps, from April 15, 1980 to May 18, 1998 as proposed by the Planning Board at the January 14, 1998 Public Hearing?

Article 17. Operating Budget: Shall the Newfound Area School District, raise and appropriate as an operating budget, not including appropriations by special warrant articles, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling ten million seven hundred seventy-four thousand one hundred forty-nine dollars (\$10,774,149) Should this article be defeated, the operating budget shall be ten million seven hundred fifty-two thousand two hundred fifty-nine dollars (\$10,752,259), which is the same as last year, with certain adjustments required by previous action of the Newfound Area School District or by law: or the governing body may hold one special meeting, in accordance with RSA 40:13. X and XVI, to take up the issue of a revised operating budget only.

YES 307

NO 151

POLLS CLOSED AT 7:00PM

and further action on the following articles at the Old Town Hall on Summer Street in said Bristol at 7:30 p.m. on Wednesday, March 11, 1998

MARCH 11, 1998

Moderator Edward Gordon declared the meeting open at 7:30 p.m. Father William Quirk, of St Timothy's Church, offered a prayer. Gordon Dole led us in the Pledge of Allegiance to the Flag. An introduction of the Board of Selectmen and the Budget Committee members. Jeffrey Shackett, Selectman, recognized J.P. Morrison, Jr. for his years of service as Selectman.

He also recognized Barry Wingate, Chief of Police, who has been with the Town 25 years; Clem Judkins, 10 years; Kathleen Haskell, Melvin Drake, Claire MacGlashing for 5 years of service.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$374,000. for the construction of a secondary well at the Fowler site, and to authorize the issuance of not more than \$170,000. of bonds or notes in accordance with the provisions of the Municipal Finance Act and to authorize the municipal officials to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The proceeds of the bonds or notes, to be repaid from Water Department revenues, will be combined with a \$204,000. State Water Project Grant for the purpose of bringing the Bristol Water System in compliance with State and Federal regulations. Motion moved by John Bianchi and 2nd by Burt Williams.

John Bianchi wanted to speak on the motion, but first wanted to address the dedication to Gordon Dole in the Town Report. Some of the information was incorrect, he was born in 1922, not 1909.

As for the motion, John Bianchi turned this over to Burt Williams who gave a history of the water system. Currently, there is one well on the system and this is insufficient. This makes them in noncompliance with the State and Federal Government. As they are in noncompliance, there are State and Federal funds available to us. Estimated engineering of \$350,000 to \$360,000 to create the 2nd well. They have in the budget up to \$170,000. Additional funding required. Last year, there came a State aid loan fund that they have applied for. They are currently number 11 out of 36 towns. They have a very good chance of receiving the additional fund for this project at 1.31% interest rate up to 5 years 2.63% up to 10 years. They do not intend to go over 5 years. They have adequate money in the Bristol Water Department Capital Reserve account to pay for this, they have currently \$222,000.00.

They could use that money but recommend borrowing this money at the 1.31% instead of the 5% they are receiving in the Reserve account. This will not require any tax money, nor do they anticipate an increase to the water user.

It was questioned if we did not do this, would we be in trouble with the State and would they shut us down? Mr. Williams responded that they would not shut us down, but we would not be in compliance. A discussion ensued as to the location of the wells.

As there was no further discussion, the Moderator explained this would need to be a ballot vote and reread the article. He declared the polls open at 7:30pm. The polls closed at 8:35pm. There were 96 votes cast with the results as follows:

YES	90	NO	6
-----	----	----	---

The article passed.

Article 7. To see if the Town will vote to authorize the Board of Selectmen, indefinitely or until rescinded, to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19. Motion moved by Jeffrey Shackett and seconded by David Powden.

Jeffrey Shackett stated that this was just a housekeeping article. There were no question so a voice vote was taken with the following results:

Article 7 passed by voice vote.

Article 8. To see if the Town will vote to create a trust fund for the purpose of funding existing and future unfunded accrued employee liabilities as authorized under RSA 31:19-a; and to appoint the Board of Selectmen as agents of the fund as authorized under RSA 35:15; and to raise and appropriate the sum of \$25,000. to be placed in the fund. Motion moved by Robert Ryan and seconded by Phil Dion.

Robert Ryan stated that this is money due the employees if they leave and we have never had this before. This is benefits the employees have earned but not taken and they would make sure we would be ready to cover this expense when it happens. A voice vote was taken with the following results:

Article 8 passed by voice vote.

Article 9. To see if the Town will vote to create, under the provisions of RSA 38-C:3, a Board of Public Works commissioners. This Board of Public Works commissioners, to be appointed by the Bristol Board of Selectmen for the three year terms, will have responsibility for overseeing the management of Bristol's Water and Sewer Departments. Motion moved by Phil Dion and seconded by John Bianchi.

Phil Dion stated that it is the Selectmen's intention to appoint the existing Water Commissioners to oversee both the Water and Sewer. Skip Bowie questioned if the Selectmen were going to turn over the money they currently receive as the Sewer Commissioners to the Water Commissioners and it was stated that they would. Boake Morrison stated he had a problem with the part about the Selectmen appointing the people for this position. A lengthy discussion ensued as to election versus appointment. There was also a question as to the terms. The Moderator stated that these would be staggered terms but it is the Selectmen's intent to keep the terms the same. As there was concern that the Selectmen would not appoint the current Water Commissioners, Phil Dion stated that they would do this. A voice vote was taken with the following results:

Article 9 passed by voice vote.

Article 10. Shall we adopt an exemption for the disabled? The exemption, based on assessed value, for qualified taxpayers shall be \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years and own and occupy the real estate individually or jointly, or if the real estate is owned by a spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of not more than \$13,400. or, if married, a combined income of not more than \$20,400.; and own assets not in excess of \$35,000. excluding the value of the person's residence. Motion moved by Robert Ryan and seconded by Kerry Mattson.

Robert Ryan stated that this article came about with Richard Walenda last year. The Selectmen felt it should be addressed. John Bianchi questioned why a NH resident and not restrict it to a Bristol resident? After a lot of discussion on this matter Moderator Gordon stated that the State made this enabling exemption and they spell out the wording and the Selectmen have to use the exact wording. Justin Ostro moved the question and it was seconded by Gordon Dole. A voice vote was taken with the following results:

Article 10 passed by a voice vote.

Article 11. To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.) to fund the replacement of existing street lighting with more cost effective and decorative lighting equipment. Motion moved by Jeffrey Shackett and seconded by David Powden.

Jeffrey Shackett stated that the Selectmen wanted to replace the lighting downtown. They have looked at 5 cast iron ornamental street lights. Their goal is to start to beautify the downtown area. Danica Spain stated that she felt this sounded nice but was afraid of vandals. Bill Phinney stated he was not opposed to beautifying the square but felt they should look into grants that may be available. A lot of different ideas as to how to raise this money was discussed. A voice vote was taken with the following results:

Article 11 failed by a voice vote. Motion defeated.

Article 12. To see if the Town will vote to accept the budget as submitted by the Budget committee and to raise and appropriate the sum of \$2,581,624. to defray Town charges during the ensuing year. Appropriations voted in previous Articles not included in this amount. Motion moved by Susan Duncan and seconded by Kerry Mattson.

Susan Duncan went into an explanation as to how the committee came up with this figure.

Barry Wingate made a motion to amend Article 12 by adding \$23,000.00 to the budget for the purchase and equipping of a new police cruiser. Seconded by Leslie Dion.

Chief Wingate stated that they go through this every year. They need a safe and reliable vehicle. If this does not pass, they will have 2 vehicles with 100,000 miles and 1 close to that. He felt this should be standard every year. J.P. Morrison stated that he felt they should get a new vehicle every 2 years. Doug Williams felt that he hates to spend money, but he found it was less expensive to buy a car every year instead of paying for the repairs. Susan Duncan stated that a new cruiser every year is expensive but every 2 years was too long to go without one. Chief Wingate stated that they could get the cruiser this year and store it until October and not ask for one next year. After much discussion, a voice vote was taken on the amendment to article 12 as follows:

The amendment to Article 12 to add \$23,000.00 to the budget for the purchase and equipping of a new police cruiser passed by voice vote.

There was a question by Boake Morrison as to whether the vote was too close to call and wanted a show of hands. The vote by hands showed the same results as the voice vote and the amendment passed. Mr. Morrison then requested a ballot vote but only 3 people wanted this so the voice vote stood.

Barry Wingate made a motion to amend Article 12 by adding \$8,000.00 to the Police Department Budget and 2nd by Mike Cate.

Chief Wingate explained that this is the cost to remain in the prosecutors association. The cost of dispatch went up and if this is not passed, they will have to make a decision on where to make the cuts. Skip Bowie stated that he felt the Police Department was holding us hostage and if the Police Department gave \$7,000.00 back to the Town last year, then the money is there somewhere. Kerry Mattson stated that a lot of the items for this budget had been increased from last year. The motion was moved by Boake Morrison and seconded by Mark Chevalier. A voice vote was taken with the following results:

The amendment to Article 12 to add \$8,000.00 to the Police department budget failed by a voice vote. Motion defeated.

Richard Walenda made a motion to amend Article 12 to take \$40,000.00 from the total Town Budget. This will take \$40,000.00 from the Police budget and eliminate a 7th full time police position and was seconded by Marie Waring.

Richard Walenda stated that he has seen a report giving 67 recommendations to the Police Department and he felt they did not need the 7th full time police officer. Several people spoke on this issue as to the visibility of an officer and where it was appropriate for the discussion on the recommendations. A voice vote was taken with the following results:

The amendment to Article 12 to take \$40,000.00 from the total Town Budget failed by voice vote. Motion Defeated.

On the original budget, with amendment, Boake Morrison questions the solid waste budget and the commercial haulers tipping fee. He also addressed that fee for tires and metals at the transfer station. Jodie Perkins was for eliminating the tire fee as she felt this encouraged people to dump their tires on the side of the roads. After a lot of discussion on the budget, Justin Ostro called the question with Mike Bannan seconding. The voice vote on the article with amendment was as follows:

Article 12 with the amendment of adding \$23,000.00 to the figure passed by voice vote.

Article 13. To transact any other business which may legally come before this meeting.

Phil Dion stated that they are working on a multi use path to Newfound Lake and a Grant Committee has been set up. Next year the Selectmen will be coming to you with the results of this Committee and for the funding. If anyone is interested in being on this committee, get hold of a member or one of the Selectman.

Phil Dion also wanted to recognize Michael Soule for all his years on our Planning Board.

A motion was made by Roger Pederson to adjourn and was seconded by John Bianchi.

Respectfully Submitted,

Patricia F. Woolsey
Town Clerk

All new officers have been duly sworn in.
